

Gravedirt on My Blue Suede Shoes

[Dax Riggs](#)

Mother of night forgive me my heart
Father of light don't forget me in the dark
Sister twilight forgive me my head
By the mournings burn
A heart cannot understand Envoking me what I must be
Forget this skull, this cemetery
Envoking me what I must do
Gravedirt on my blue suede shoes Why oh why oh away
Why oh why oh why oh wow x7
