

All I Ask of Myself Is That I Hold Together

Ned's Atomic Dustbin

And all I ask of myself
Is that I hold togetherHalf as drunk is twice as clever
Appalled when tarred and feathered
Remarks upon the weather
Will just retard endeavorThis piece of meat is pumping
Poison 'round itself, so neatly
About it, pound for pound
It feeds away and most discreetlyAnd all I ask of myself
Is that I hold together
And all I ask of myself
Is that I hold togetherGet me divine ascension
Supply my worst intention
To thrash it out in heaven
Our Lord, too thick to mentionThis piece of mind is keeping
To itself, if only sleeping
Regard it, freeze it, jar it
Assign it all to healingAnd all I ask of myself
Is that I hold together
And all I ask of myself
Is that I hold togetherAnd all I ask of myself
Is that I hold together
And all I ask of myself
Is that I hold togetherAnd all I ask of myself
Is that I hold together
And all I ask of myself
Is that I hold togetherAnd all I ask of myself
Is that I hold together
And all I ask of myself
Is that I hold togetherThat I hold together
That I hold together
And all I ask of myself
Is that I hold together
