

# Let Them Knock

## Sharon Jones and the Dap-Kings

Let them knock upon my door  
Until their hands are black and blue  
Im not answering for no one  
Until my man and I are through When were makin love  
You know the world aint got nothin, oh, nothin to do  
Cause when were makin love  
I wont answer to nobody but you, oh yeah  
Nobody but you, babe  
I aint gonna answer to nobody, no, no They can call me on the phone  
But no matter how many times that phone rings, yeah  
Im not pickin up for no one  
Until that fat lady sings When were makin love  
Now you know the world aint got nothin, oh, nothin to do  
When were makin love  
I wont answer to nobody but you, oh yeah Listen now, people, they ask a lot of me  
Always one more than they got of me, yeah  
Let them say Im hard to find Ill do what I gotta do  
And bring it home, home to you  
Its your love I got on my mind Let them wait, let them wonder  
Where I go and what I do, oh yeah, yeah  
Im not answering to no one, no  
Until you and I are through Oh, when were makin love  
Ooh, you know the world aint got nothin  
Oh, aint got nothin to do, no, no  
When were makin love  
I wont answer to nobody but you, oh, nobody but you Nobody but you, oh  
I aint gonna answer to nobody but you, baby  
Ah, no matter how many times the phone rings  
Whos knockin at the door  
Im not gonna answer, no, no, no, no, no I aint gonna answer, no, no, no, no  
Aint gonna pick up the phone, dont you try that, no  
Nobody, nobody, nobody but you, oh  
I aint gonna answer to nobody but you
