

# 90.2.10

## Limp Bizkit

Hold up, let me see your bottles up  
We the band with the brand and we blowin' up  
This goin' out to the people who don't give a fuck  
Time to throw a little party, who's showin up?  
Draggin' swifties from the house to the front lawn  
Start it up at dusk, wrap it up about dawn

All you ladies feelin' crazy, time to get it on  
Ain't invitin' any fellas, they can stay at home  
Lethal rockin' on the tables, droppin' all the funk  
Sammy got the quarter, pourin' drinks from his trunk  
Otto got the fire goin' warmin' up the buns  
Wes is dressed up like an alien, we havin' fun

Looks like the ratio is 90.2.10.  
90 percent filled up with women again  
The block is full so let the party get hot  
It's how we do it, if you like it or not

Looks like the ratio is 90.2.10.  
90 percent filled up with women again  
The block is full so let the party get hot  
It's how we do it, if you like it or not

We got this party goin' harder than a motherfucker  
All these naked ladies makin' out with one another  
Playboy Bunnies on the roof in the mini-skirts  
I'm lookin' up and what I'm seein' then, it really hurts  
My brother Corey D. is paintin' up a couple bodies  
You ain't never seen a party with this many hotties

I just heard that Paul Wall is comin' now  
Reakwon is on the mic and he's buggin' out  
Corey Taylor got a harem chasin' him around  
We ain't slippin' with his knot, then we goin' down  
But it doesn't got this lovin' comin' 'at me  
Ain't nothin' new 'cause I'm rollin' with the LB

Looks like the ratio is 90.2.10.  
90 percent filled up with women again

The block is full so let the party get hot  
It's how we do it, if you like it or not

Looks like the ratio is 90.2.10.  
90 percent filled up with women again  
The block is full so let the party get hot  
It's how we do it, if you like it or not

The girls look so good (It's how we do it)  
(If you like it not)  
The girls look so good (It's how we do it)  
The girls look so good (It's how we do it)  
The girls look so good (It's how we do it)  
(If you like it not)  
the girls look so good! (It's how we do it)  
The girls look so good! (It's how we do it)  
(If you like it not)

Looks like the ratio is 90.2.10.  
90 percent filled up with women again  
The block is closed so let the party get hot  
It's how we do it, if you like it or not

Looks like the ratio is 90.2.10.  
90 percent filled up with women again  
The block is full so let the party get hot  
It's how we do it, if you like it or not

That's how we do it if you like it or not  
That's how we do it if you like it or not  
That's how we do it if you like it or not  
Looks like the ratio is 90.2.10.
