

Break the Bank

GForce

Break the internet
We going viral
Don't be jealous cuz we just girls
Were not teens yet
But we still gonna
Break the bankBreak the internet
We going viral
Don't be jealous cuz we just girls
Were not teens yet
But we still gonna
Break the bank

We don't like to say we might or maybe no way never
We got our eyes on all the goals were ready for whatever
G force we in the front of the race
G force we always all up in yo faceWhoever said that I'm too young to be the president
Hollywood first then White House resident
Ok guess we'll go a little easy
We'll be as big as Kanye but we don't need them YeezysBreak the internet
We going viral
Don't be jealous cuz we just girls
Were not teens yet
But we still gonna
Break the bank
Break the internet
We going viral
Don't be jealous cuz we just girls
Were not teens yet
But we still gonna
Break the bank

Don't hate cuz we just girls
Don't hate cuz it's our world
Don't hate now don't don't hate
Just break the bank

Ya you better listenPass my scrunchie pon the left hand side
We'll take the bus if we don't have a ride
This ain't easy for us we ain't gonna lie
The future is female and now you all know why!Break the internet
We going viral
Don't be jealous cuz we just girls

Were not teens yet
But we still gonna
Break the bankBreak the internet
We going viral
Don't be jealous cuz we just girls
Were not teens yet
But we still gonna
Break the bankBreak the internet
We going viral
Don't be jealous cuz we just girls, just girls
Were not teens yet
But we still gonna
Break the bankDon't hate cuz we just girls
Don't hate cuz it's our world, its our world
Don't hate cuz we just work
We break the bank , break the bankDon't hate cuz we just girls
Don't hate cuz it's our world , its our world
Don't hate cuz we just work
We break the bank , break that bankBreak the internet
We going viral
Don't be jealous cuz we just girls, we just girls
Were not teens yet
But we still gonna
Break the bank
