Crazy

The Moffatts

Life is such a funny thing You never know what it'll bring You know, I'm just takin' it day by day For you it comes so easilyFor me it's just another fantasy 'Cause nothing, nothing ever comes my way I see you there, I watch you fly If I could be you, I would touch the skyBut here I am and there you are Don't you know it's driving me So crazy? I think I'm going crazy, can't take it anymore Got one thing on my mind all the time And it's driving me crazyI think I'm going crazy and I don't know what I'm doing I just can't take your grace in my face 'Cause it's driving me crazyYou do what you wanna do Everybody wants to be with you It's something that I just don't understand I don't believe you know what you gotAnd that's what puts me over the top I'm running, I'm running just as fast as I can I see you there, I watch you fly If I could be you, I would touch the skyBut here I am and there you are Don't you know it's driving me So crazy? I think I'm going crazy, can't take it anymore Got one thing on my mind all the time And it's driving me crazyI think I'm going crazy and I don't know what I'm doing I just can't take your grace in my face 'Cause it's driving me crazy
