

# Violent Crimes

## Riot

Victims of mass  
Victims of the night.  
Payment, and restitution,  
Never see the light.  
He lived a life of persecution,  
He lived a life of,  
Violent, violent, violent crimes.  
Master of  
(?)  
Problems  
Too  
He lived a life of  
He lived a life of,  
Violent, violent, violent crimes.  
It's kill or be killed baby,  
I'm a city slicker...  
He lived a life of  
He lived a life of,  
Violent, violent, violent crimes.  
in the night  
Obsessed with  
He takes another life.  
Victims of mass confusion,  
Victims of the night.  
Payment, and restitution,  
Never see the light.
