

Doigsong

Kindness

If I had a secret and told it to you,
Would you tell your brother?
If I had a secret and told it to you,
Would you tell your sister?
And if I had a secret and told it to you,
Would you tell your mother?
If you had a secret and told it to me,
I would tell no other

No...

Na na na na

Na na na na

Na na na na

Na na no no

Na na na na

Na na na na

Na na na na

Na na no no

If I had a secret and told it to you,
Would you tell your brother?
If I had a secret and told it to you,
Would you tell your sister?
And if I had a secret and told it to you,
Would you tell your mother?
Tell me it's a secret to you
I could be your lover

Oh oh

Hey! I know that's between us
Hey! I know what's between us
Hey! I know that's between us
Hey! I know what's between us
Hey! I know that's between us
Hey! I know what's between us

(If I had) x8

I would tell you anyway

(If I had) x4

To your brother

To your sister

To your mother
