

Anyone

Yaz

Fate took a freeway to my room
Said to much while he stayed and left too soon
Bright on an evening sea, washed in with the tide
Deep in each others dreams where all but dreams had died Wretched in your thoughts
Gentle hate within the love you brought
Words fade like flowers shadowed, there beneath your wall
Wind cries from every angle, dead leaves left to wait for fall And in my darkest hour when I can find no light
My goals are out of sight and nothing warms the night
I close my eyes and with such sweet surprise
I can be anywhere, I can be anyone And in my darkest hour when I can find no light
My goals are out of sight and nothing warms the night
I close my eyes and with such sweet surprise
I can be anywhere, I can be anything
I can be anyone, I can be anyone
