Hot Ride

The Prodigy

You hear me, you hear me, you hear me
Up, up and away in my beautiful, my beautiful
Up, up and away in my beautiful, my beautiful balloon
Up, up and away in my beautiful, my beautiful balloon
Now get out
Gimme, gimme, gimme, gimme, gimme, gimme, gimme
Gimme, gimme, gimme, gimme, gimme, gimme
Give me a ride
Gimme, gimme, gimme, gimme, gimme, gimme, gimme
Gimme, gimme, gimme, gimme, gimme, gimme
Give me a ride
Hot ride in my air balloon, skippin' fast right around the moon
On a bullet train out of town, walkie talkie, one hand down
You hear me, you hear me
Up, up and away in my beautiful, my beautiful
Up, up and away in my beautiful, my beautiful balloon
Up, up and away in my beautiful, my beautiful balloon
I'll put you out

Gimme, gimme, gimme, gimme, gimme, gimme, gimme
Gimme, gimme, gimme, gimme, gimme, gimme
Give me a ride
Gimme, gimme, gimme, gimme, gimme, gimme, gimme
Gimme, gimme, gimme, gimme, gimme, gimme
Give me a ride
Hot ride in my air balloon, skippin' fast right around the moon
On a bullet train out of town, walkie talkie, one hand down
Hot ride in my air balloon, skippin' fast right around the moon
Minds made up, there's no luck when time leaves you
Hot ride in my air balloon, skippin' fast right around the moon
Times made up, there's no luck when time leaves you
You gotta push it, push it, you gotta push it, push it
You gotta push it, push it, you gotta push it, push it
You gotta push it
