

# i need you (oliverio mix)

**Dave Gahan**

I need you  
I need you  
I need you  
I need you I'm asking my friend I need you again  
Can you do something for me  
Time it just passed and we had some laughs  
Maybe it's just about greed You'll always need me much more  
Than I need you  
You'll always need me much more  
I need you I'll ask you again but I don't think you've changed  
You never did nothing for me  
I wonder sometimes if you're looking down  
On everything that you see
