Parasite

Pink Cream 69

[Andi Deris]I'll take your body
I'll beat in your heart
So never turn up your cards
Else I'll own your honey
Since I'm wearing your shoes
I'm blessed but that's the truthI'm a man who loves money
So don't wasted my time
I'm a creature out of prideI'll be your lover
But I won't be your friend
I'll suck you out till the end
You keep on touching me
And kissing me
Make love the whole night
By the dawn I'm your parasiteI'm a man who loves money
So don't wasted my time
I'm a creature out of prideParasite
Wants you right tonight
