## Pink Cream 69

[Andi Deris] I'll take your body  
I'll beat in your heart  
So never turn up your cards  
Else I'll own your honey  
Since I'm wearing your shoes  
I'm blessed but that's the truth I'm a man who loves money  
So don't wasted my time  
I'm a creature out of pride I'll be your lover  
But I won't be your friend  
I'll suck you out till the end  
You keep on touching me  
And kissing me  
Make love the whole night  
By the dawn I'm your parasite I'm a man who loves money  
So don't wasted my time  
I'm a creature out of pride Parasite  
Wants you right tonight
