

I'm Feelin' You

Tim McGraw

I'm feeling you like a buzz on a Sunday
Tripping on you like I'm falling in honey
That way you move gets me drunk on your groove, I'm feeling you
Like a stack of the house's money
That night on the beach, that one we didn't want to end
Hits me like lightning on the skin
Let's go there again
Let's do that again Baby let's drive, baby let's drive
Baby let's go somewhere, anywhere tonight
Just me and you, just me and you
I'm feeling you, I'm feeling you
Baby let's roll, baby let's go slow down
Any old road where you wanna go
Slide it on over til you run out of room
I'm feeling you, I'm feeling you whoa oh
You, I'm feeling you
Feeling you, feeling you You're the heat coming off of that fire
Just when I think I can't get no higher, I'm floating off the ground (floating off the ground)
We're spinning round and round (spinning round and round)
Like a DJ kicking that funky sound Baby let's drive, baby let's drive
Baby let's go somewhere, anywhere tonight
Just me and you, just me and you
I'm feeling you, I'm feeling you
Baby let's roll, baby let's go slow down
Any old road where you wanna go
Slide it on over til you run out of room
I'm feeling you, I'm feeling you whoa oh
You, I'm feeling you
Feeling you, feeling you I'm feeling you girl like a shot of Jack
Hitting me harder than a heart attack
All the way gone, don't wanna come back
I'm feeling you, I'm feeling you
Running all over me like a runaway train
Trying to hold on but there ain't no ways
What do you want me to do, you want me to do?
I'm feeling you, I'm feeling you Ooh ooh ooh Baby let's drive, baby let's drive
Baby let's go somewhere, anywhere tonight
Just me and you, just me and you
I'm feeling you, I'm feeling you

Baby let's roll, baby let's go slow down
Any old road where you wanna go
Slide it on over til you run out of room
I'm feeling you, I'm feeling you, whoa oh
You, whoa oh, you
I'm feeling you, feeling you
You, whoa oh, you, whoa oh, you
I'm feeling you
