

Lullaby (live with the Amsterdam Sinfonietta)

Lamb

Always and forever
We'll be free
Always and forever
Be with me We'll have love aplenty
We'll have joys out numbered
We'll share perfect moments
You and me Always and forever
You will see
Always and forever
Just be with me We'll have love aplenty
We'll have joys out numbered
We'll share perfect moments
You and me
