

Treat Her Right

[Billy Gibbons](#)

I wanna tell you a story
Every man ought to know
If you want a little loving
You gotta start real slow
She gonna love you tonight
If you just treat her right Oh, squeeze her real strong
Gotta make her feel good now
Tell her that you love her
Like you know you should
And if you don't treat her right
She won't love you tonight
Now if you practice my method
Just as hard as you can
You're gonna get a reputation
As a loving man
And you'll be glad at the end of night
That you treated her right
