

# Enjoy the Ride

## Krewella

We were born ready, ready to be free  
Chasin' every thrill we could see  
With our eyes steady, waking to a dream  
Aching to be thrown in the ring If nothing comes easy as long as we're breathing  
We'll go all the way or go home  
We were born ready, wherever it leads  
What we have is all we need 'Cause if it's fast or slow  
All I really know is I'm gonna enjoy the ride  
And if it's hard or soft before we get off  
I'm gonna enjoy the ride, enjoy the ride 'Cause if it's fast or slow  
All I really know is I'm gonna enjoy the ride  
Enjoy the ride 'Cause if it's fast or slow  
All I really know is I'm gonna enjoy the ride  
And if it's hard or soft before we get off  
I'm gonna enjoy the ride, enjoy the ride We were born hungry, hungry for the rush  
Screamin' when they tell us to hush  
Hit the ground runnin', leave 'em in the dust  
Only run with those we can trust If nothing comes to us  
We'll fly where it's blue as we're ready to face the unknown  
We were born hungry, we'll never get enough  
'Cause we're only here this once 'Cause if it's fast or slow  
All I really know is I'm gonna enjoy the ride  
And if it's hard or soft before we get off  
I'm gonna enjoy the ride, enjoy the ride Let's do it again  
Let's make it tonight  
Yeah let's go until the sky gets lighter And if it's fast or slow  
All I really know is I'm gonna enjoy the ride  
Enjoy the ride 'Cause if it's fast or slow  
All I really know is I'm gonna enjoy the ride  
And if it's hard or soft before we get off  
I'm gonna enjoy the ride, enjoy the ride Let's do it again  
Let's make it tonight  
Yeah let's go until the sky gets lighter And if it's fast or slow  
All I really know is I'm gonna enjoy the ride  
Enjoy the ride
