

# I Dig Go-Go Girls

## Cheap Trick

I dig go go girls??????? and Geisha girls  
TVs and entertainers  
Movie stars and cop persuaders I love a good drink  
I drink 'til I sink  
No one can speak to me  
I love a good drink How come I am really such a bore? I dig racist movies  
Jungle bunnies, lips and coonies  
Indians who bite the dust  
General Custer shouldn't have lost  
I read all the latest  
Go steal the  
He can name the presidents  
The latest?, and current events How come I am really such a bore?  
How come I am really such a bore?  
Maybe I'm an idiot?  
Maybe I'm just craaaaaazy.  
Maybe I'm intelligent  
Maybe I'm a lunatic
