

# Troubled Souls

Jack Savoretti

Never gonna break my silence  
Never burden the ones I love  
Never need head(?) or violence  
Never asked help from god  
Everything I go looking for heaven  
I end up looking down in shame  
And every time I am touched  
I never know, if you feel the same Am I ever gonna find it  
What it is what I'm looking for  
'cuz I believe I'm gonna feel  
What I never felt before  
Only love  
Only love  
I get so high, I lose my breath  
Every day I get a little bit closer to death  
Some are frightened, some are not  
Some forgive, some just want what everybody else has got Am I ever gonna find it  
What it is what I'm looking for  
'cuz I believe I'm gonna feel  
What I've never felt before  
Only love  
Only love  
Hmmmhmmm  
Only love  
Only love  
Yeaah  
Only love can stop this  
We don't wanna fight no more  
Only love, only love, only love  
Only love can stop the world  
We don't wanna fight no more  
Only love, only love, only love Only love  
Only love  
Am I ever gonna find it? (Only love)  
What it is what im looking for  
'Cuz I believe im gonna feel (Only love)  
What I never felt before  
Only love  
Only love Never gonna break my silence
