

# Touched

## Boa

Saw you standing in the dark, and I like your energy.  
I really knew way from afar, boy, you're distracting me.  
My heart is racing, body's aching, and I'm shaking all because of you.  
It's something about you. Now I'm thinkin' 'bout who you with 'cause you got me curious.  
If you don't come closer I'mma have a fit. Tell me, boy, what you're thinkin', too.  
Gotta know if you feel the same way I do.  
Talk to me. I can be your lady, you can be my baby, so don't keep me waiting.  
I wanna be touched, wanna be touched. I wanna be touched, wanna be touched.  
'Cause I got this problem, only you can solve it, but you gotta come to me.  
I wanna be touched, wanna be touched. I wanna be touched, wanna be touched. (I wanna be touched, wanna be touched, touched, touched.)  
I wanna be touched, wanna be touched, touched.) You gotta get to know me first, and we can take it further.  
And I can't help but flirt, 'cause I'd be crazy if I  
Let you leave without your number, boy, don't make me wait too long for you.  
I just wanna get to know you. Now I'm thinkin' 'bout who you with 'cause you got me curious.  
If you don't come closer I'mma have a fit. Tell me, boy, what you're thinkin', too.  
Gotta know if you feel the same way I do.  
Talk to me. I can be your lady, you can be my baby, so don't keep me waiting.  
I wanna be touched, wanna be touched. I wanna be touched, wanna be touched.  
'Cause I got this problem, only you can solve it, but you gotta come to me.  
I wanna be touched, wanna be touched. I wanna be touched, wanna be touched. I never believed in love at first sight, but you make me want to give it a try.  
You won't regret it, boy, if you let me in. Ah... I can be your lady, you can be my baby, so don't keep me waiting.  
I wanna be touched, wanna be touched. I wanna be touched, wanna be touched.  
'Cause I got this problem, only you can solve it, but you gotta come to me.  
I wanna be touched, wanna be touched. I wanna be touched, wanna be touched.
