Dr Zee

Moloko

(get back into society)
(back into the community)Dimensions are parallel
But there's this funny smell
All functions are shutting down
Everything's brown
Laxadasical haze
Not phased by the maze
I'm so sick
I forgot all about my outfit(back into society)
(go back into the community)My skin is turning green
Feels like neoprene
This radioactivity
Has gotten inside of me
Oh, the shame!
Just being the same
As that tom, dick and harry
I wanna be larryCome see dr zee
(go/get back into society)
New identity
(back into the community)This so called lunachic
It's just so last week
Get it right in rehearsal
Try to think universal
Through the looking glass
Now tell me what do you see?
With a little hard work
We could be prettyCome see dr zee
(go/get back into society)
New identity
(back into the community)Come see dr zee
(go/get back into society)
New identity
(back into the community)Oh, so frivolous!
I look ridiculous
A walking absurdity
Afraid of obscurity
Mm, this elegance
Has lost it's relevance
Nasty rumours are doing the rounds

And it's all over townCome see dr zee
(go/get back into society)
New identity
(back into the community)Come see dr zee
(go/get back into society)
New identity
(back into the community)This monstrosity
Impending irony
Is playing on my mind
Still I'm one of a kindCome see dr zee
(go/get back into society)
New identity
(back into the community)(get back into society)
(back into the community)
(get back into society)
(get back into the community)
(back into society)
(back into the community)
(back into society)
(get back into the community)
(back into society)
(back into the community)
(back into society)
(ba...)Come see dr zee
(go/get back into society)
New identity
(back into the community)Come see dr zee
(go/get back into society)
New identity
(back into the community)
