Quit

Juliana Hatfield

I made it to the top of the wall
This could be mine
I could own it all
I better jump before I fallI'm gonna quit while I'm ahead
Before I say anything that I wish
That I wish, I hadn't saidThis is it, my car has arrived to take us to
The greener grass on the other side
But look at all the people who died
Crashed when they went out for a rideSo, I'm gonna quit while I'm ahead
Before I say anything that I wish
That I wish, I hadn't said
