

Dangerous

Dalvin Degrade

Uh, hmm, oh yeah
Oh, yeah, baby I usually don't have no time
I'm kinda tight with my ends
Girl, I could care less for one
That's why I don't have a girlfriend But there's something about your girl
That just makes me feel so wild
I'm willing to give it all
And I want you to have my child, oh yeah It's dangerous to fall in love
Before you girl, I'll give it up
It's dangerous to fall in love
Before you girl, I'll give it up I wanna relax with you
I wanna contact with you
They say that the fact is true
The fact is I love you I wanna make ends with you
I wanna be friends with you
Whatever I choose to do
I wanna include you, girl Don't talk just listen
Girl, you know what I'm saying?
Can't be actin' like that
Know what I'm sayin'? Mr. Dalvin up here laying it down
Know what I'm sayin'?
You got to open up, say
To me you don't even look that good
You know what I'm sayin'? But It's dangerous to fall in love
Before you girl, I'll give it up
It's dangerous to fall in love
Before you girl, I'll give it up Baby, I will
Honey, I will
Sugar, I will
And darlin', I will And baby, I will
And honey, I will
And sugar, I will
And darlin', I will It's dangerous to fall in love
Before you girl, I'll give it up
It's dangerous to fall in love
Before you girl, I'll give it up It's dangerous to fall in love
Before you girl, I'll give it up
