

# Praise Like Fireworks

## Rend Collective Experiment

I lift my voice to praise You  
I lift my voice to praise You  
My concrete heart won't stop me  
My concrete heart won't stop me I'll sing like it's the first time  
I'll sing like it's the first time  
And leave behind the cynic  
I leave behind the cynic in my soul We're letting praise like fireworks  
Loose from our thankful hearts You've given us a heart, given us a home  
You've given us a heart, given us a home  
You've given us a heart, given us a home with You We're bringing You our praise, bringing You our lives  
We're bringing You our praise, bringing You our lives  
We're bringing You our praise, bringing all our lives to You  
Through joy and pain we worship  
Through joy and pain we worship  
With heart and soul wide open  
With heart and soul wide open Your strength will never fail us  
Your strength will never fail us  
We're not lost in the darkness  
We're not lost in the darkness  
You are here We're letting praise like fireworks  
Loose from our thankful hearts You've given us a heart, given us a home  
You've given us a heart, given us a home  
You've given us a heart, given us a home with You We're bringing You our praise, bringing You our lives  
We're bringing You our praise, bringing You our lives  
We're bringing You our praise, bringing all our lives to You  
You've given us a heart, given us a home  
You've given us a heart, given us a home  
You've given us a heart, given us a home with You We're bringing You our praise, bringing You our lives  
We're bringing You our praise, bringing You our lives  
We're bringing You our praise, bringing all our lives to You You've given us a heart, given us a home  
You've given us a heart, given us a home  
You've given us a heart, given us a home with You We're bringing You our praise, bringing You our lives  
We're bringing You our praise, bringing You our lives  
We're bringing You our praise, bringing all our lives to You
