Last Night

Stephanie Mills

You make me burn with fever
Make me jump and shout
You really make me lose control
And when you pull my lever
It turns me all about
I feel it way down in my soulLast night
We turned the power on
Last night
'Til the break of dawn (oh ooh oh ooh oh ooh)Last night
We got into the groove
Last night
We made that moveI could be your puppet
You could pull my string
'Cause you make me feel so real
You keep me jumpin'
Keep my whole heart pumpin'
I love the way you make me feelLast night
We turned the power on
Last night
'Til the break of dawn (oh ooh oh ooh oh ooh)Last night
We got into the groove
Last night
We made that moveI love the way you love me
Last night (yeah)
I said come on baby rock me
And never let me goLast night (uh oh)
I said love the way you love me
Last night (uh oh)
Come on baby rock meAnd never let me go
Last night (hmm)
Last night
(ooh yeah)You make me burn with fever
Make me jump and shout
You really make me lose control
And when you pull my lever
It turns me all about
I feel it way down in my soulLast night
We turned the power on
Last night

'Til the break of dawn (oh ooh oh ooh oh ooh)Last night
We got into the groove
Last night
We made that moveI love the way you love me
Last night (oh oh oh oh oh)
Come on baby rock me
Never let me goLast night (uh oh)
I said love the way you love me
Last night (ooh uh)
Come on baby rock meAnd never let me go
Last night (eh yeah yeah yeah eh yeah)Last night (you turned the power on)
Last night (oh make me jump and shout)
Last night (oh ooh oh ooh oh ooh)
Last night (oh when you love me baby)Last night (oh ooh oh ooh oh ooh)
Last night (you make me jump and shout)
Last night (ooh ooh ooh)
Last night
(talkin' 'bout your love babe, needing your love babe, wanting your love babe, yeah yeah yeah)Last night (turns me all about, oh)
Last night
(Wanting your love babe, needing your love babe,
Oh yeah yeah you know that it, turns me all about, ooh)Last night (talkin' 'bout your love babe, needing your love babe, oh yeah yeah yeah)
