Boys and Girls

Kill Hannah

[Repeat: x27]
Baby

She wants to go fast, and never come back, and never collapse.
And he's a real animal gone out of control, who'd rather die young then get old.

[Repeat: x27]
Baby

Boys and girls,they dance like it's the end of the world.
Boys and girls,they dance,dance,dance.
Boys and girls,they'd know if it's the end of the world.
Boys and girls,they dance,dance,dance.

[Repeat: x27]
Baby

She's in designer jeans, on amphetamines.
I want you badly.
And he's a real cannibal and suicidal.
Or have we gone heavy meatal?

[Repeat: x27]
Baby

Boys and girls,they dance like it's the end of the world.
Boys and girls,they dance,dance,dance.
Boys and girls,they'd know if it's the end of the world.
Boys and girls,they dance,dance,dance.

Boys and girls they dance like it's the end
Boys and girls they dance like it's the end
Boys and girls they dance like it's the end

Boys and girls, girls girls, girls.
