

Happy

Socialburn

Well, I've been sittin' here for a while
Wishin' I could finally see you smile
I've been wanting to see you for a long time 'Cause everyday I grow farther from
Everything I've done and everyone
Here we go again I'm alone now 'Cause we try so hard
Because we don't know what we're looking for
Yeah, you try so hard
Because you don't know what you're looking for Yeah, I try so hard
Because I don't know what I'm looking for
But yeah, I'm happy
Yeah, I'm happy now
Yeah, I'm happy Well, I don't know if I'll ever find you
And I don't know if I'll ever need you again But I've been sittin' here for so long
Wishin' I could write a brand new song
Maybe it will remind you of a time when Yeah, we try so hard
Because we don't know what we're looking for
Yeah, you try so hard
Because you don't know what you're looking for Yeah, I try so hard
Because I don't know what I'm looking for
But yeah, I'm happy
Yeah, I'm happy now
Yeah, I'm happy Well, I've been sittin' here for a while
Wishin' I could finally see you smile
I've been wanting to see you for a long time Because I try so hard
Because we don't know what we're looking for
Yeah, you try so hard
Because you don't know what you're looking for Yeah, I try so hard
Because I don't know what I'm looking for
But yeah, I'm happy
But yeah, I'm happy now
But yeah, I'm happy But yeah, I'm happy now
But yeah, I'm happy
But yeah, I'm happy now
But yeah, I'm happy
But yeah, I'm happy now
But yeah, I'm happy
