Keep Movin'

C-block

Chorus:
I gotta keep movin, up and down this life
I gotta keep movin, leave the past behind
And do all it should be done, to live my life and have some fun
Life is how you make it, so take it
Rap1:
Now I see ya still movin, while Im groovin,Once again Im back in the house, Im improovin,
To let you know, let you real somethin good
But not this, see you wish you could
Gotta lay the past behind, whats on my mind,Its the rime shinin, clinin, Im pporing on a way to the top
With CBK-style with the club hiphop
I bring it back, put it down the line
I stop and come on the top of the dine
Did you think I was gone all for real?
But youre going full, with the rap appeal,Now here it comes stronger much harder
Where black and go, much started
I cant stop, nigga come Pop! Drop!
Gotta keep movin!
Chorus x 2
I gotta keep movin, up and down this life
Rap2:
I gotta keep movin, while you snoozin

Its the club style mix, Im here to proove it
Now recognize the M to the M P,The P is for POP, and I dont stop
And I cant be stopped now immitade it
So watch out, yeah, ya still hacned
Its the digness with the mystery
Now watch out and go, see I peep this
I still standing on the eastcoast level
Im still diggin deep, and Im remaining the shevel
Now I keep going try to face that
Still ponding powerful commercial track, jack
Gotta bring it to you nice and slow
On the carpet C, it is my time to glow
I stay away to long, its beeting my chest like King Kong
Chorus x 2
I gotta keep, I gotta keep, I gotta keep on movin
I gotta keep, I gotta keep, I gotta keep on movin

Bridge:
Its 1999 yall, and we still represent C-BLOCK
We just tryin to let you know, Life is what you make it
So leave the past behind, cause thats the way its done,So keep movin!
Chorus x 2
I gotta keep movin, up and down this life
