

# Real Late Starter

[Joe McElderry](#)

Advisory - the following lyrics contain explicit language:

I woke up late today  
Actually I do that everyday  
Got no place to be seen  
I'm not part of a scene  
I'm a genius loser Keeping counsel with my own opinion  
President of the state that I'm in  
Should I just stay in bed?  
Should I live in my head?  
Oh god, so many questions to ask Oh, you could call me lazy  
I think of it as taking my time  
'Cause I don't want to do what I don't want to do  
I'm the king refusenik But, oh my god, if I was somebody  
I'd be doing it all just fine  
But I'm a real late starter  
So I'm making up for the lost time Oh my god, if I was somebody  
You'd be kissing my ass right now  
But I'm so polite, I do it all of the time  
I missed my calling in life, oh well Day by day I wonder  
If I will be torn asunder  
By these things that I know  
That nobody else knows  
Or maybe it's the drinking I guess we should consult a Bible  
Everybody needs a sign or  
Bless the birds and the bees  
The flowers and trees  
And blessed be the slacker Oh my god, if I was somebody  
I'd be doing it all just fine  
But I'm a real late starter  
So I'm making up for the lost time Oh my god, if I was somebody  
You'd be kissing my ass right now  
But I'm so polite, I do it all of the time  
I missed my calling in life, oh well You must be having a laugh

Oh god, you're having a laugh  
No point in worrying if my days are a disaster  
Inside my little head I'm happy ever after  
Yes I am Oh my god, if I was somebody  
I'd be doing it all just fine  
But I'm a real late starter  
So I'm making up for the lost time Oh my god, if I was somebody  
You'd be kissing my ass right now  
But I'm so polite  
I missed my calling in life Oh my god, if I was somebody  
I'd be doing it all just fine  
But I'm a real late starter  
So I'm making up for lost time Oh my god, if I was somebody  
You'd be kissing my ass right now  
But I'm so polite, I do it all of the time  
I missed my calling in life  
Oh, what am I like? Yeah well Over
