

Do You Feel Like We Do

Peter Frampton

Well, woke up this morning, with a wine glass in my hand
Whose wine? What wine? Where the hell did I dine?
Must've been a dream, I don't believe where I've been
Come on... let's do it again Do you, you?
Feel like I do? How d'you feel?
Do you, you?
Feel like I do? My friend got busted just the other day
They said don't walk, don't walk, don't walk away
He drove into a taxi, bent the boot, hit the back
Had to play some music, otherwise he'd crack Do you, you?
Feel like I do? How d'you feel, huh?
Do you, you?
Feel like I Do you, you?
Feel like I do? Yes you do
Do you, you?
Feel like I do? Champagne for breakfast and a Sherman in my hand
Peach top, peach tails... never fails
Must've been a dream, I don't believe where I've been
Come on... let's do it again Do you, you?
Feel like I do?
Do you, you?
Feel like I Do you feel like we do? Yeah
Do you feel like we do? Oh, that's true
Mmm, do you feel like we do? Get down
Mmm, do you feel, do you feel like we do? Do you feel
Do you feel
Like we do?
I want to thank you
Do you feel like we do?
That's alright
That's alright, here tonight
Here tonight, good time
We're gonna have a good time
Good time, good time, good time, good time, good time
