Even Tho'

Webb Pierce

Even tho' you took the sunshine out of my heaven
Even tho' you took the twinkle out of my eye
I will always be in love with you my darling
Even tho' I sit and wonder if I'm wiseSince the day that you first told me that you love me
I have been head over heels in love with you
Now you say our little romance has to end dear
Now I walk the floor and wonder what I'll doEven tho' you took the sunshine out of my heaven
Even tho' you took the twinkle out of my eye
I will always be in love with you my darling
Even tho' I sit and wonder if I'm wiseThere was a time when in my heart I didn't doubt you
Now I'm never sure of what you say or do
For every time, I try to put my arms about you
Something tells me that you're not the same old you
