

Out in the Cold Again

Dean Martin

(Out in the cold)

The song that you sang so sweetly

You called it our love refrain

It's gone and I'm left completely

Out in the cold again I dreamed that our love would linger

But just memories remain

As I gaze at that ringless finger

Out in the cold again True it hurts my pride

To step aside for somebody new

But deep down inside

My whole world depended on you I wanted your arms around me

To shelter me from the rain

But now I'm back where you found me

Out in the cold again True it hurts my pride

To step aside for somebody new

But deep down inside

My whole world depended on you I wanted your arms around me

To shelter me from the rain

But now I'm back where you found me

Out in the cold again, out in the cold
