

# The Earrings Song

Gretchen Wilson

Well, I finally found a sitter who'd stay late on Friday night  
So I could do some dancin' underneath them neon lights  
Get out of the kitchen do a little catchin' up with my old man  
And I couldn't help but notice girl that you keep slinkin' by  
Stealin' his attention with the twinkle in your eye  
You're causin' an involuntary clenchin' of the fingers on my hand  
So honey move along and find a place to park yourself while you still can  
Don't make me take my earrings out  
'Cause I'll show you what a cat fight's all about  
I'll throw you down and mop the floor, a man like mine's worth fightin' for  
Don't make me take my earrings out  
And I bet I spent an hour at the bathroom vanity  
Tryin' to turn a mom into a ballroom beauty queen  
I don't wanna mess it up but trust me honey I ain't scared to break a nail  
Yeah, and I'd be glad to spend a night in jail  
(Aw, hell)  
So don't make me take my earrings out  
'Cause I'll show you what a cat fight's all about  
If you come waltzin' by once more I'll drag your butt right out the door  
So don't make me take my earrings out  
(Ah, haw)  
So don't make me take my earrings out  
'Cause I'll show you what a cat fight's all about  
I'll throw you down and mop the floor, a man like mine's worth fightin' for  
Don't make me take my earrings out  
If you come waltzin' by once more I'll throw you down and mop the floor  
And drag your butt, right out the door, a man like mine's worth fightin' for  
So don't make me take my earrings out
