

Kissin' Time

Kiss

Come on Charlotte
Wake up San Diego, Milwaukee, Miami
Put your two lips together and kiss
We're kissin' in Cleveland, and Cincinnati too
Way out in Chicago, I'll tell you what to do
They party all over, even in St. Lou
So baby, get ready and I'll be kissin' you
Oh, oh, 'cause anytime is kissin' time, USA
So treat me right, don't make me fight
And we'll rock and roll tonight
We're kissin' in Dallas and Philly's goin' wild
So let's kiss Atlanta, ho, you know we'll make it smile
We love the women, hey, way down in Tennessee

So baby, come on now and start a-kissin' me
Oh, oh, 'cause anytime is kissin' time, USA
So treat me right, don't make me fight
And we'll rock and roll tonight
Kiss all of Seattle, L.A. to Baltimore
You know we been kissin' in 'Frisco, so let's kiss some more
Let's do it in Detroit, they all love to score
So baby, oh baby, what are we waitin' for
Oh, oh, 'cause anytime is kissin' time, USA
So treat me right, don't make me fight
And we'll rock and roll tonight
