

Secrets

Will Champlin

I need another story
Something to get off my chest
My life gets kinda boring
Need something that I can confess
Til' all my sleeves are stained red
From all the truth that I've said
Come by it honestly I swear
I thought you saw me wink, no
I've been on the brink to Tell me what you want to hear
Something that will light those ears
I'm sick of all the insincere
I'm gonna give all my secrets away
This time, don't need another perfect lie
Critics ever jump in line
I'm gonna give all my secrets away My God, amazing how we come this far
It's like we're chasing all those stars
Who's driving shiny big black cars
And everyday I see the news
And the problems that we could solve
When a situation rises
Just write it into an album
Send it straight to gold
I don't really like my flow Tell me what you want to hear
Something that are like those years
I'm sick of all the insincere
I'm gonna give all my secrets away
This time, don't need another perfect lie
Don't care if critics never jump in line
I'm gonna give all my secrets away Got no reason, got no shame
Got no family I can't blame
Just don't let me disappear
I'mma tell you everything Tell me what you want to hear
Something that'll light those ears
I'm sick of all the insincere
I'm gonna give all my secrets away
This time, don't need another perfect lie
Don't care if critics never jump in line
I'm gonna give all my secrets All my secrets away
So I'm gonna give all my secrets away
