

# Fall out of Love

## Turnpike Troubadours

How do you fall out of love?  
Well how could you lose such a thing?  
You try and hang to what's already gone  
How does a person just change?  
Well how do you fall out of love?  
Why did it wind up so bad?  
Were the good times all that we had?  
We laughed and we loved but when push came to shove  
Why did it end up so sad?  
How did we fall out of love? You bet your heart on a diamond  
And I played the clubs and spades  
We gambled and lost, guess we both paid the cost  
Look what a mess I have made  
How did we fall out of love?  
How do you know when it's over?  
How do you know when to run?  
For cryin' out loud, I was bound to walk out  
How do you know when it's done?  
How do you fall out of love?  
How could you lose such a thing?  
You try and hang on to what's already gone  
But how does a person just change?  
How do you fall out of love?
