# The Tourist

## Radiohead

It barks at no one else but me
Like it's seen a ghost
I guess it's seen the sparks a-flowin'
No one else would knowHey man, slow down, slow down
Idiot, slow down, slow downSometimes I get overcharged
That's when you see sparks
They ask me where the hell I'm going
At a thousand feet per secondHey man, slow down, slow down
Idiot, slow down, slow down
