

Time (feat. Saint Dog)

Kottonmouth Kings

whaaaaaaaaaaaaaaaaaaaaaaaaaaaao
whaaaaaaaaaaaaaaaaaaaaaaaaaaaao
when my times up
i'll raise my pimp cup
i'll drink it all down, and then we'll blaze one up
because lifes a game i know i played it well
i've got a legacy of love and some stories to tell
oh well
i knew this day would come
when i would have to say goodbye to all my loved ones
skyblue, i'll miss you more than all the rest
you're my only living seed im gonna miss you to death
baby girl
you the truest of the true
can't nobody ever take the place of you
on the real
although life's still unbreakable
its unmistakable and answered in time
that means forever like their moms and mine
hustle against the wall, we walk down the line
tell my family, fans, and all my good friends
when this life ends the next one begins(chorus)
what's gonna happen when you time runs out
whacha gonna do where are you gonna go now
who are you gonna see when you time runs out
who is it gonna be and why is it gonna happen
will you be ready when your time goes out
time runs out, time runs out
whaaaaaaaaaaaaaaaaaaaao
whaaaaaaaaaaaaaaaaaaaaoyo
i really dont like to think
about when the sands of time will run outa mine
nobody shouldn't be thinking about death in their prime
shit, we should still be hearing Biggie and Pac rhyme
but if i do die
i hope you don't cry
i hope you celebrate, i lived a great life
know i am alive and know i'll be around
i'll never be gone

i'll always be in P-town
up and down the streets
and on the avenues
when you drive you can catch me in your rearview
laughing having fun and smiling
kicking it with bass, getting crazy, straight riling
for my family, know that i loved ya
all you gotta do is look up
i'm always above ya
looking out for ya and watching ya back
i'll be your guardian angel on your side and that's a fact(chorus)see in your hourglass.....
time falls fast.....
when it drops past.....
i'll sit back and laugh.....I guess it's my time for me to say goodbye
and i don't wanna see anybody start to cry
there's a time where everybody gots to go
a sad story but it needs to be told
i'ts been a bless, yes so much fun
i can't believe it's here, never thought it would come
i've always been afraid to know i'm gonna die
to face the facts in this thing called life
whaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaao free my soul
whaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaao untill we meet again
for my family and friends, i can't thank you enough
for all the memories, i know it's gonna be tough
and my special one
the love of my life
Alison Marie
forever we be(chorus 2x)
