

Before I Go

Useless ID

I'm leaving, screaming
My heart is bleeding now.
Why would you take this life away from me? Don't you let go ?
It makes you sad, I know.
We could've lived inside my 80's dream. Before I go you should know that I'll always be here.
How could they keep me away from you ?
Everytime I see my reflection in your eyes,
I know that one day you will be mine. Imagine if we could disappear for a while,
Nothing would come between us when we were away. A scary rerun deep inside my head.
What could've happened to us if we had stayed? Before I go you should know that I'll always be here.
How could they keep me away from you ?
Everytime I see my reflection in your eyes,
I know that one day you will be mine. [Instrumental] Would we ever be the same if we let it fall apart ?
Would we ever be the same if we let it fall apart ? Before I go you should know that I'll always be here.
How could they keep me away from you ?
Everytime I see my reflection in your eyes,
I know that one day you will be mine.
