The Voyage

Balero

I am a sailor, you're my first mate
We signed on together, we coupled our fate
We hauled up our anchor, determined not to fail
For the heart's treasure, together we set sail
With no maps to guide us, we steered our own course
We rode out the storms when the winds were gale force
We sat out the doldrums in patience and hope
Working together, we learned how to cope
Life is an ocean, love is a boat
In troubled waters, it keeps us afloat

When we started the voyage, there was just me and you
Now, gathered 'round us, we have our own crew
Together we're in this relationship
We built it with care to last the whole trip
Our crew destination's not marked on any charts
We're navigating for the shores of the heart
Life is an ocean, love is a boat
In troubled waters, it keeps us afloat
When we started the voyage, there was just me and you
Now, gathered 'round us, we have our own crew
