

# Thorns of Life

## Gov't Mule

Let me take you on the hillside  
Clouds streaming overhead  
I can't take these lies  
Hanging over my head  
Better off leavin' them behind  
Running away insteadThorns of life seem to be  
Penetrating my soul  
Something is fading in me  
Something's taking it's toll  
Hard to stay a step ahead  
When you're losing control  
Takes everything I can do  
Just to make it through these times  
I gotta get back to you  
Have to make it this time  
Dying inside trying to feel you  
Burning on my skin  
Under the moonlight I'll reveal you  
Again and againThorns of life seem to be  
Penetrating my soul  
Something is fading in me  
Something's taking it's toll  
Hard to stay a step ahead  
When you're losing control  
Let me, let me, let me feel you  
Let me feel you  
Oh! Oh!  
One more day  
One more day  
Give me one more dayDying inside 'til I feel you  
Burning on my skin  
Under the moonlight I'll reveal you  
Again and againDying inside 'til I feel you  
Burning on my skin  
Under the moonlight I'll reveal you  
Again and again and againLet me take you on the hillside  
Clouds streaming overhead
