

# Lisztomania

## Edwin van Cleef

So sentimental, not sentimental no  
Romantic not discusting yet  
Darling, I'm down and lonely when with the fortunate only  
I've been looking for something else  
Do let, do let, do let, jugulate, do let, do let, do  
Let's go slowly discouraged  
Distant from other interests on your favorite weekend ending  
This love's for gentlemen only that's with the fortunate only  
No, I gotta be someone else  
These days it comes, it comes, it comes, it comes, it comes and goes

### Lisztomania

Think less but see it grow like a riot, like a riot, oh  
I'm not easily offended  
It's not hard to let it go from a mess to the masses  
Lisztomania  
Think less but see it grow like a riot, like a riot, oh  
I'm not easily offended  
It's not hard to let it go from a mess to the masses  
Follow, misguide, stand still  
Discuss, discourage on this precious weekend ending  
This love's for gentlemen only, wealthiest gentlemen only  
And now that you're lonely  
Do let, do let, do let, juggle it, do let, do let, do

Let's go slowly discouraged, we'll burn the pictures instead  
When it's all over we can barely discuss  
For one minute only, not with the fortunate only  
Thought it could have been something else  
These days it comes, it comes, it comes, it comes, it comes and goes

### Lisztomania

Think less but see it grow like a riot, like a riot, oh  
I'm not easily offended  
It's not hard to let it go from a mess to the masses  
Lisztomania  
Think less but see it grow like a riot, like a riot, oh  
I'm not easily offended  
It's not hard to let it go from a mess to the masses  
This is show time, this is show time, this is show time  
This is show time, this is show time, this is show time

Time, time is your love, time is your love, yes time is your  
Time, time is your love, time is your love, yes time is your  
From the mess to the masses  
Lisztomania  
Think less but see it grow like a riot, like a riot, oh  
Discuss, discuss, discuss  
Discuss, discuss, discouraged
