Bizarre Love Triangle

Apoptygma Berzerk

Every time I think of you
I feel shot right through with a bolt of blue
It's no problem of mine but it's a problem I find
Living a life that I can't leave behind
But there's no sense in telling me
The wisdom of the fool won't set you free
But that's the way that it goes and it's what nobody knows
Well every day my confusion growsEvery time I see you falling
I get down on my knees and pray
I'm waiting for that final moment
You say the words that I can't sayI feel fine and I feel good
I'm feeling like I never should
[Bizarre Love Triangle lyrics onWhenever I get this way I just don't know what to say
Why can't we be ourselves like we were yesterdayI'm not sure what this could mean
I don't think you're what you seem
I do admit to myself that if I hurt someone else
Then I'll never see just what we're meant to beEvery time I see you falling
I get down on my knees and pray
I'm waiting for that final moment
You say the words that I can't say
