

Groove with You

The Isley Brothers

Oh, I've been thinking of you
And you've been thinking of me
Oh, I'll give all that I have
If you'll give all that I need
And oh, oh, oh, lets be fair
And I think its time we cleared the air
You've been watching you, I've been watching you
You know I've been wantin to groove with you
Girl, speak your mind
Groove with you
You been thinking all of this time
Groove with you
Aw baby what I wouldn't do
Groove with you
Just spending my days with you Oh, love is all in your eyes
Love fire is burning for me
You stay all in my mind
Oh woman, its easy to see
Oh, let's be fair
You know its time we cleared the air You've been watching me, I've been watching you
You know, you know
Groove with you
Oh I want a groove, I want a groove
Groove with you
I've been thinking, you've been thinking, thinking of me
Groove with you
Oh what I wouldn't do to groove with you Groove with you
You've been watching, I been watching watching you
Groove with you
And every chance I get, from the first time we meet
I want a groove with you
