

# Ooh, Ooh

Willa Ford

Oh, you know I see you watching me  
I know you getting into me, boy  
Come and tell me what you want  
What you want from me Ooh ooh, ooh ooh come on  
Ooh ooh, what you want from me  
Ooh ooh, what you want All the funny little things you do  
They make me wanna get hot with you  
'Cause you keep me calm keep me satisfied  
Being lovin' here to my back door  
I'll take it all and you'll ask for more  
It's time for me to let you see  
Oh baby Ooh ooh, you know I see you watching me  
Ooh ooh, I know you're getting into me  
Ooh ooh, come and tell me what you want from me  
What you want from me Ooh ooh, you know I see you watching me  
Ooh ooh, I know you're getting into me  
Ooh ooh, come and tell me what you want from me  
What you want from me Can't deny that you've been walking by  
Then again can't say that I've been shy  
But a girl's gotta know just what she wants  
Gonna give you all the love I got  
For a day or two then maybe not  
Got a feeling, you got to let this be you and me Ooh ooh, you know I see you watching me  
Ooh ooh, I know you're getting into me  
Ooh ooh, come and tell me what you want from me  
What you want from me Ooh ooh, you know I see you watching me  
Ooh ooh, I know you're getting into me  
Ooh ooh, come and tell me what you want from me  
What you want from me And tell me, please baby  
And tell me, what you want  
You know, you need  
And tell me, ohh Ooh ooh, tell me  
Ooh ooh, just tell me  
Ooh ooh, tell me, what you want from me Ooh ooh, you know I see you watching me  
Ooh ooh, I know you're getting into me  
Ooh ooh, come and tell me what you want from me  
What you want from me Ooh ooh, you know I see you watching me  
Ooh ooh, I know you're getting into me  
Ooh ooh, come and tell me what you want from me

What you want from me Ooh ooh, you know I see you watching me  
Ooh ooh, I know you're getting into me  
Ooh ooh, come and tell me what you want from me  
What you want from me
