

# Wild World

## Me First and The Gimme Gimmes

Now that I've lost everything to you  
You say you wanna start something new  
And it's breaking my heart that you're leaving  
Baby, I'm grieving But if you wanna leave, take good care  
Hope you have a lot of nice things to wear  
But then a lot of nice things turn bad out there Ooh baby, baby, it's a wild world  
It's hard to get by just upon a smile, girl  
Ooh baby, baby, it's a wild world  
I'll always remember you just like a child, girl You know I've seen a lot of what the world can do  
And it's breaking my heart in two  
Because I never wanna see you a sad girl  
Don't be a bad girl But if you wanna leave, take good care  
Hope you make a lot of nice friends out there  
But just remember there's a lot of bad and beware Ooh baby, baby, it's a wild world  
It's hard to get by just upon a smile, girl  
Ooh baby, baby, it's a wild world  
I'll always remember you just like a child, girl Baby, baby, I love you  
But if you wanna leave take good care  
Hope you make a lot of nice friends out there  
But just remember there's a lot of bad and beware, yeah Ooh baby, baby, it's a wild world  
It's hard to get by just upon a smile, girl  
Ooh baby, baby, it's a wild world  
I'll always remember you just like a child, girl, yeah
