Starlite

Young Heart Attack

I got a song for you, it's on my stereo
I got a red light, don't stop, go, go
I got a run it tonight, gonna tell her tonight
Gonna rumble over my cool punk girl
Because you wear my jacket girl
Yeah, because you're ridin' my car girl
Gonna prove I'm a man, can't you understand?
Gonna prove I'm a man, can't you understand?
Yeah, you're right girl
You're outta sight girl
Yeah, you're right girl
Thats why we're in trouble tonight
I'm in love, I'm alive, I'm in love, I'm alive, yeah
Starlite, baby, burn so bright now
I'm in love, I'm alive, I'm in love, I'm alive, yeah
Starlite, keep me hanging on tight
I'm in love, I'm alive, I'm in love, I'm alive, yeah
Starlite, baby, burn so bright now
I'm in love, I'm alive, I'm in love, I'm alive
Yeah, yeah, yeah, ooh
Ooh, because you're hot rod, go, go
Gonna riff, raff, downtown rock show
Gonna run it tonight, gonna total tonight
Gonna rumble over my cool punk girl
Yeah, you're right girl
You're outta sight girl
Yeah, your right girl
That's why we're in trouble tonight, yeah
I'm in love, I'm alive, I'm in love, I'm alive, yeah
Starlite, baby, burn so bright now
I'm in love, I'm alive, I'm in love, I'm alive, yeah
Starlite, keep me hanging on tight now
I'm in love, I'm alive, I'm in love, I'm alive, yeah
Starlite, baby, burn so bright now
I'm in love, I'm alive, I'm in love, I'm alive
Yeah, yeah, yeah, ooh
I'm gonna prove I'm a man, can you understand?
I'm gonna prove I'm a man, can you understand?
I'm gonna prove I'm a man, can you understand?

I've gotta prove I'm a man, can you understand?
You make me feel like a man, can you understand?
You make me feel like a man, can you understand?
You make me feel like a man, can you understand?
You make me feel like a man, can you understand?
