

Please Read Me

Bee Gees

Many years ago I was a simple man
A simple man, no worries me
I never lied
Please read me
Not much conversation ever came from me
I never saw reality
I never tried
Please read me
Ahh ahh ahh ahh ahh ahh
Ahh ahh ahh ahh ahh ahh
Ahh ahh ahh ahh ahh ahh
Maybe I've been lying on your couch too long
I'll stay if you can see me through
Explain why
Please read me
Please read me
Please read me
Please read me
