

Demons (Sense8 OST)

Fatboy Slim

They say she had a heart attack
I think the preacher's coming back
And I'm frying 'cause all my love's electrifying
And I'm comfy like a cesspool
want to be with you
And it's my premonition
I better give my heart a listen
And my preacher say
All of your demons will wither away
Ecstasy comes and they cannot stay
You'll understand when you come my way
'Cause all of my demons have withered away
They said he shook himself to death
I want to dance 'til my last breath
But mister disco only parties hard in Frisco
And I'm comfy like a cesspool
Want to be with you
And it's my premonition
I better give my heart a listen
And my preacher say
All of your demons will wither away
Ecstasy comes and they cannot stay
You'll understand when you come my way
'Cause all of my demons have withered away
