## Crosby & Nash

Look around again  
It's the same old story  
You see, it's got to be  
It says right here on page 43  
That you should grab a hold of it  
Else you'll find it's passed you by Rainbows all around  
Can you find the silver and gold?  
It'll make you old  
The river can be hot or cold  
And you should dive right into it  
Else you'll find it's passed you by Pass it round one more time  
I think I'll have a swallow of wine  
Life is fine  
Even with the ups and downs  
And you should have a sip of it  
Else you'll find it's passed you by
